

Summer AI Camp for High School Students

Richland Two is sponsoring an AI Summer Camp for our high school at the Artificial Intelligence (AI) Institute of South Carolina (AIISC) at the University of South Carolina (USC). This 4.5 day camp will engage the students with lectures, mini-tutorials, demos and hands on activities, to cover:

- Introduction to AI and AI technologies (such as natural language processing and machine learning),
- A variety of capabilities (such as chatbots, text generation, text to image),
- A variety of tools (such as ChatGPT and DALL-E),
- A large variety of AI applications in education, health care, social goog and industries (such as manufacturing, autonomous vehicles, media, and pharma).

WHEN?

Week of June 19 2023.
Mon-Thu (arrive by 9 AM and leave by 3 PM), Fri (arrive by 9 AM and leave by 12 PM),

WHERE?

AI Institute of South Carolina, 1112 Greene St. 5th Floor, (Open in Maps : [Link](#))

STUDENTS BRING THEIR OWN LAPTOPS FOR HANDS ON WORK

While you're learning, you should start coding. That way, you can use the information right away. When you learn by doing, you are more likely to retain the information.
